Each table will have Sheetz employees acting as representatives for the designated project/team/initiative. There will be no presentations during this time in order to give you a chance to visit the various tables and speak to these representatives.

ABOUT THE CHARITY

Our commitment to giving back started with the values of our founder, Bob Sheetz. Our employees' willingness to help has evolved into Sheetz For The Kidz™, an employee-driven 501(c)(3) charity, independent of Sheetz Inc. The charity relies on volunteers to execute its mission: to provide support, hope, joy and happiness to children in need in the communities where we operate. Funds raised throughout the year benefit the Sheetz For The Kidz Holiday Program, Make-A-Wish®, and Feeding America®.

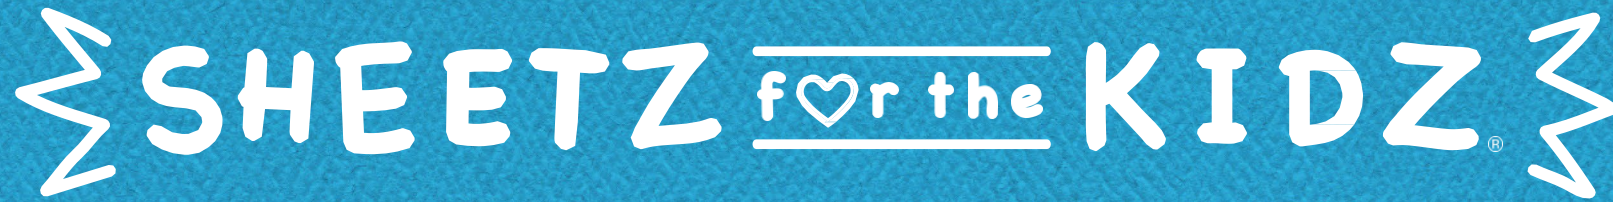

SHEETZ FOR THE KIDZ HOLIDAY PROGRAM

A tradition was born in 1992 when a group of Sheetz employees created a way to give children in need the opportunity to celebrate the holiday with new toys, clothes and other basic needs. The \$12,000 raised that first year was enough to take 126 kids in Blair County, Pennsylvania, on a Christmas shopping spree.

Annually, the charity partners with The Salvation Army who selects 16 children per Sheetz store to support. We receive a customized wish list for each child and then our employees shop and host drive-through gift distributions in each of our operating areas. Employees present the parents/guardians with the gifts and wrapping supplies to have them ready for the holidays.

- In 2022, we brought smiles to the faces of over 11,000 kids across our six-state operating area.

MAKE-A-WISH

Sheetz For the Kidz developed a partnership with Make-A-Wish in 2005. Through a donation of \$150,000 that year, the charity sponsored 30 families with an all-expense-paid dream vacation to Orlando, Florida, fulfilling their "wish." Each year, the charity funds the wish of one child in each of our operating districts.

- In 2022, the charity sponsored 61 wishes for children with life-threatening medical conditions.

FEEDING AMERICA

In an effort to broaden our connection in the communities we serve, Sheetz For the Kidz partners with Feeding America to provide food to kids in need. Feeding America works with a network of 30 local food banks and agency partners, including food pantries, soup kitchens, and meal programs, based on Sheetz store locations, to allocate funds for child-hunger programs.

- In 2022, the charity made a \$685,000 contribution, resulting in 15 million meals provided.

THANK YOU! THIS WOULD NOT BE POSSIBLE WITHOUT THE CONTINUED SUPPORT OF OUR BUSINESS PARTNERS,
CUSTOMERS AND EMPLOYEES.
